- **Epson 836XL** Flat bed Scanner 11 x 17 full-color, over 1200 DPI
- **Canon DR1212C** Flat bed Scanner 8.5 x 11 full color over 1200 DPI

ELECTRONIC PREPRESS:

- **Kodak** Trendsetter Spectrum Computer to Plate system full format supported by the **Prinergy EVO Workflow**
- **EFI** Color Proofing System
- **Epson 9900** Large format printer
- **G7 Master Certification**
- **11 Point** Quality Assurance Program

DIGITAL PRINTING / REPROGRAPHICS:

- **Xerox iGen4** High volume digital color printing press. State of the art offset quality. Size up to 14.3 x 26 sheets on various types of stock up to 130# cover. Full color and variable data capabilities.
- **XEROX 6180** Docutech Publisher
- **XEROX 3535** Color Copier
- **Sun Sparc** Ultra 2 controller/print server
- On line tape binding (125 sheets)
- Bar-code reader

PRESS OPERATIONS:

- **KBA RA105 6+L** 28x40 6-color with Inline Aqueous coating, Lithec scanner with computerized ink setting, and Infrared dryers
- **G7 Master Certification**
- **Itek 3985** true 2-color 12 ½ x 18 (ideal for short run work)
- **Diamond P7-13** High Speed Envelope Press 2/2 Perfecting
- **AB Dick 9850** 2-color (T-Head) 12 ½ x 17 ¼ with dual stream feeders for Envelope work

BINDERY / FINISHING:

- **Seybold Citation** 42" cutter with Microcut programmable cutting System
- **Dexter Lawson** 45" cutter with Microcut programmable cutting System
- **MBO B-26** folder 26 x 40 with right angle and 16 page attachments & MBO "Super Score" & micro-perf units
- **Osaka Jetstream** 225 6-pocket & cover feeder, gather, stitcher, trimmer for saddle stitch work
- **Rosback 220A** "True Linell" scoring/perf machine
- **Standard SRN-9X** rotary numbering/perf machine
- Four (4) stand alone single head stitching units/**Challenge** drill/stand alone round corner unit
- **GBC, Double Wire-O Binding & Plastic Coil Binding**
- **Tri-Creaser Scoring System**

FULFILLMENT SERVICES

- Kit building, pick & pack, collation, shrinkwrapping, drop shipping and on-site warehousing.

MAIL PROCESSING / FULFILLMENT:

- **NEOPOST** S165 Inserter – SI95
- **2 Wafer Seal Machines**
- **Bell & Howell** 8 station No. 10 inserter for sizes up to 6 x 9
- **Baum 714XLT** multi-purpose folder with air feed
- **BCC Interface** software
- **Inkjet** addressing - inline wafer sealing station
- **Videojet 4250** 600 DPI Ink Jet Printing Unit
- Bar-code reader

IT / NETWORK ADMINISTRATION:

- **Three Dell PowerEdge** Servers (3) plus **PowerVault** External Drive Array with over 1 Terabyte of free drive space
- **TrippLite** Uninterrupted Power Supply Backup
- **Dell** Hi-speed (10/100/1000) network switches
- Hi-speed dedicated T 1.5 internet access
- **Symantec Backup Exec** with **Dell PowerVault** backup tape array for automatic backups
- Internally managed Exchange email server
- FTP server access for customer uploading to MAPS
- Secure **SonicWall** (managed) firewall with **AVG** Antivirus / Antispyware systems

LARGE FORMAT:

- Foam Board Mounting, Laminating, Velcro & Grommets
