

"The Total Print Solution"

March 21, 2020

Dear Valued Customer,

As many of you may know, Governor Pritzker of Illinois ordered a "**Stay at Home**" proclamation for all **NON-ESSENTIAL Businesses & Operations** effective 5:00pm March 21,2020 through April 7, 2020.

MidAmerican Printing Systems, Inc., **WILL BE OPEN** during this period of time, as we are part of the **ESSENTIAL MANUFACTURING SUPPLY CHAIN**. We take this task very seriously, to produce and deliver your printed material in a timely fashion, while at the same time, protecting the health and safety of our employees. We will do our best to avoid delays in job production and will keep you informed as best we can. We will continue to function under our normal operating hours at this time.

We are closely monitoring CDC Guidelines information for the wellbeing of our employees and are implementing rigorous health and safety protocols to keep our employees and work place safe.

We will continue to send out periodic updates in the days and weeks ahead as changes unfold.

Should you have any questions, or comments, please feel free to call or Email me.

As a valued business partner, we thank you for your support! Be Safe!

Thank you,
